

STRONG BUILDING STRONG ECONOMY

FEDERAL ELECTION POLICY SCORE CARD

MASTER BUILDERS AUSTRALIA POLICY

ALP

COALITION

Balanced Workplace Relations Laws & Safe Building Sites

• Retention of ABCC and ROC to ensure the rule of law maintained		
• Right of Entry rules are strengthened and enforced		
• Ensure workplace laws are fair and balanced		
• Safety laws not used as a back-door for unions to breach Right of Entry Laws		

Building Stronger & More Prosperous Communities

• No change to Negative Gearing or Capital Gains Tax		
• New incentives to increase housing supply		
• Increase infrastructure spending		
• Building regulations that meet community expectations, are enforced, and, don't drive up costs		

Backing Small Business

• Don't introduce additional red-tape unless it's absolutely necessary		
• Reduce red-tape compliance burden on small business		
• Tax policies to back small business		
• Work with States and Territories to improve Payment Laws that are fair for all businesses		

Boosting Skilled & Secure Careers

• Policies and funding to address forecast skill shortages in the building trades		
• Recognise the role of industry-based not-for-profit RTOs		
• Increase funding to employers to take on more apprentices		
• Raise the profile of VET to highlight career opportunities
